Welcome to AnimeNation!

Anime, (pronounced ah-nee-may) is Japanese animation. This art form, highly respected in Japan, has been growing in popularity in western culture for the last 10-15 years, but only in the last few has it achieved widespread recognition, showing up in theatres, video and record stores, magazines and other forms of pop culture.

Here at **AnimeNation**, we're proud to be a part of this rising tidal wave of excellent animation. We're involved in local conventions, rental, and sponsorship of select sites on the anime internet. We strive to bring you the most anime and widest selection available to us, with a constant search for new suppliers, and constant updating of our website and catalog. If there's something you don't see in these pages, please call and ask, this may not be the most updated list!

We currently stock titles from companies such as **U.S. Manga, Orion, Polygram, Manga Entertainment, Anime18, Streamline, A.D. Vision, Softcell, Sony, Animeigo, Kidmark, Family Home Entertainment** and more! We carry video, Cdrom, games, T-shirts, posters, phone cards, screen savers, original production cells, manga, and whatever else we can get our hands on!

Shipping with us couldn't be easier. We ship everything via **UPS. Groundtrac, second day, and next day service** are available. (Orders to PO boxes ship via priority mail.) Most orders ship within **24 hours**, backorders usually ship within one-two weeks.

We do our best to keep up with current releases, and to provide at least a little in the way of description and picture for everything we can. (Not an easy task, there are over 1000 items in the online store!) If you see (gasp) a mistake, or info missing that you'd like to see, just let us know, we'll fix it or add it right away.

The online store features secure credit card ordering, so you can safely and easily order you favorite anime. Just add your items to your virtual shopping basket, submit your credit card and shipping information, and you're on your way. The items will show up at your door, no worries, no hassles. Online shopping the way it should be. We think our store is one of the best on the web, and we plan to keep it that way.

We've started to put links to select related sites on our store pages. If you maintain or know of a great site for one particular anime series, let us know and we'll add it for all to share!
